TO WHOM THIS MAY CONCERN:

During the past 5 years, the Bridgewater Church of the Brethren has worked closely with Miller & Associates, Inc. in designing and completing 2 capital financial campaigns. We have appreciated very much our association and work with this firm, especially with John Miller himself. John has been knowledgeable in the field of fund-raising and has provided excellent expertise and leadership for our needs. In designing the campaigns, he has listened attentively to our concerns and needs and responded with ideas and suggestions to address these. In meetings, John has led our committee in making decisions about the campaigns by submitting his ideas and leading the committee to give local shape to the final format. His leadership has been marked with a knowledgeable gentleness. He has willingly incorporated the expertise of local leadership and functioned with sensitivity and interest for the benefit of the congregation. Most of all, John's work is done in an atmosphere of prayer and commitment to Christian values and to the life and mission of the church.

The work of Miller & Associates, Inc. is to be commended to churches and others who may desire professional fund-raising expertise.
