Dear Nancy,

First United Church of Bloomington, IN is nearing the end of our three-year *Renewing Our Vision* capital campaign. As you remember, we set a Victory Goal of \$600,000 and a Challenge Goal of \$750,000. Our total pledges were \$759,930. Thank you for so accurately predicting our fund-raising potential at the start of this campaign. Contributions received to date are \$728,265. We are confident that by the campaign's end this fall, we will have reached our Challenge Goal.

Getting started quickly and in the right way were keys to our success. We are so glad we chose you as our campaign consultant. Your expertise, leadership, and ability to relate to all of our church members made our job as campaign chairs very easy. Working with you was a pleasure. We are so glad we didn't try to do this on our own.

As a result of this campaign, we have not only accomplished extensive remodeling of our building both inside and outside but we have been inspired to change the name of our church and put into words our church's mission. What a difference three years has made!

Thank you again for all your help and support.
